

Fulvio Parmigiani

Materials science with synchrotron and free electron laser based spectroscopies

10/22/2014 8.00–9.30
seminar room, container building (theory)
Synchrotron and FEL radiation

10/27/2014 8.00–9.30
seminar room, theory institute
X-ray optics

10/29/2014 14.00–15.30
conference room, (theory institute)
X-ray spectroscopy
